The roadmap is an academic planning resource. Students should refer to their PAWS Report and Academic Catalog for graduation requirements.

NB: This transfer plan presumes students enter with the ADT in Music Industry. For students who enter with the traditional ADT in Music, then they will not need to take the applied instruction and MUS 2130/2135: Theory/Musicianship courses, but will need to take MUS 1270: History of Electronic Music, MUS 2670: Sound Recording, and CAL 1140: Sustaining a Life in the Arts (or a similar approved substitute course).
