**FC 12/26 Request to Upgrade Banquet and Vendor Tables in Event Center (Action, Morales, Orellana)**

M/S Bates/Lui; motion to open item FC 12/26 Request to Upgrade Banquet and Vendor Tables in Event Center

Joel Morales presented a proposal to replace aging banquet and vendor tables in the SMSU

Event Center, requesting approval to purchase 40 six-foot rectangular tables, 40 round tables, and accompanying storage carts. He explained that the current tables, which are over 15 years old, show significant wear and pose safety concerns due to warped surfaces, bent legs, and damaged components. The replacement would reduce safety risks, minimize labor and rental costs from transporting or outsourcing tables and addressing ongoing inventory shortages. Two options were presented: a higher-quality, industry-standard ABS table package from Mitylite, and a lower-cost, lightweight plastic option. Operations staff recommended the ABS tables due to their durability, 10-year warranty, higher weight capacity, and longer lifespan, noting that the lower-cost option would likely require replacement within a few years. Discussion included storage capacity, disposal of old tables, and the possibility of salvaging usable tables for student clubs, however, staff noted that most existing tables although not ideal may be needed for peak event seasons.

A suggestion was raised to invest in tablecloths to help protect the new tables and enhance overall presentation. Staff acknowledged the idea but explained that providing cloth table coverings would introduce significant ongoing costs, including cleaning, storage, replacement, and potential outsourcing for laundering, as SMSU does not have industrial facilities to maintain them. While spandex-style covers were mentioned as a more cost-effective alternative, overall concerns centered on budget impact and lack of revenue recovery. With no further discussion, the item proceeded to a roll call vote.

**ROLL CALL VOTE:**                    6 - In-Favor                    0 - Opposed                    0 - Abstention  
*Motion passed.*

### **Announcements**

- Maria announced that the campus transitioned to the new CSU Buy purchasing platform effective February 2<sup>nd</sup>. The new system has created compliance conflicts with SMSU's current Financial Policy, requiring an urgent policy update. Due to time sensitivity, she will inquire with Interim Executive Director Del Rossi about suggested next steps.
- Anthony shared that the Black Faculty, Staff, and Student Association will host its 13th Annual Pioneer Breakfast scholarship fundraiser on Friday at 9:00 a.m. at SMSU North. Students are invited to attend and enjoy breakfast, entertainment, and networking opportunities with alumni and community leaders as part of the closing celebration for Black History Month.
- The Performing Arts Center Grand Opening will take place on March 4 at 4:00 p.m. Additionally, on March 5 from 4:00–7:00 p.m. in the SMSU South Theater, there will be a HERstory panel featuring campus female leaders, followed by a screening of *Selena*.

## **Reimagining Our Walls – New Ideas for Art and Engagement**

**Date:** March 3, 2026

**Santos Manuel Student Union Board of Directors – Finance and Contracts Committee**

**Proposed By:** Jared Fisk, Marketing Manager

### **Background:**

The SMSU has long discussed enhancing interior branding to better reflect CSUSB pride and strengthen the Santos Manuel Student Union identity. The North information desk wall and South lobby entrance are high-traffic areas that offer strong opportunities to improve first impressions and student engagement. This proposal formalizes the plan to install large-scale wall graphics in these spaces to advance those goals.

### **Proposal:**

Installation of two wall graphics in both SMSU North and South

- One proposed for the wall directly in front of the SMSU North information desk.
  - Dimensions: 296.5'H x 103.5'W
  - Materials: Custom Wallpaper or vinyl
- A second proposed for the wall facing SMSU South lobby near the west entrance of the building.
  - Dimensions: 270'W x 123'H
  - Materials: Custom wallpaper or vinyl and brushed aluminum lettering
  - Lettering will include CSUSB logo and "Santos Manuel Student Union"

### **Rationale:**

Installation of two large-scale wall graphics will revitalize high-traffic areas in SMSU North and South that reflects CSUSB pride and the SMSU brand. This will support improvement of first impressions and increase student engagement.
